VACATION CARE

Newsletter JULY 2010

Hi and welcome

There have been a few changes within Rainbow Region Kids since the last holidays. The first one is that Vacation Care **fees have been increased to \$40:00 per Day** . The Second one is that Vacation Care **Fees must be paid ONE week prior to the start of the holiday period.**

Unfortunately there have been a large number of fees not being paid on time.

The fees cover salaries, resources and supplies for your children who use the service over the holiday period. Without these we are unable to provide equipment and fun activities for your children to enjoy and learn.

Our service is a Non Profit Service so we are dependent on your support.

Unfortunately we will not be able to take any bookings from families with outstanding fees.

Bookings

Bookings must made before Friday 19 June and payments must made before Friday 26TH June for the July Holidays

If you are a new service user you will need to complete an enrolment form and a booking sheet for your children.

The booking sheet must be filled in and return as soon as possible then a letter will be sent out to you with your quote for the holidays.

This quote may change due to any changes that may be made to your individual CCB rebate at the time of this quote.

The program and booking sheets are available by following the links.
